A Message from Our President

Every successful year at Meals on Wheels Wake County adds another chapter to the storied history of our organization, and this year is no exception. All of us who are invested in the Meals on Wheels Wake mission should celebrate our achievements.

Our program continues providing hot nutritious meals as well as social connections to senior adults throughout Wake County. All 92 of our home delivered routes now are providing meals 5 days a week, and all of our congregate dining rooms are open for business. We upgraded the in person dining experience and adopted the new Friendship Café designation, and we have been able to open 2 new Friendship Cafes to serve western and southeastern Wake County. During the program year that just ended, we delivered more than 434,000 meals and served our 11,000,000th meal since 1974.

In line with our mission, we expanded our services to medically vulnerable participants. We are partnering with the State of North Carolina and Meals on Wheels North Carolina to deliver meals to patients as they are discharged from the hospital for two weeks. We also are collaborating with WakeMed, the Food Bank of Central and Eastern North Carolina, and the Inter Faith Food Shuttle to deliver a combination of prepared meals, groceries, and fresh produce to at risk patients.

We could not meet our mission without the dedication of our volunteers. We added an Assistant Director of Program Services for Volunteers to recruit, retain, and recognize these valuable volunteers. The personal connection is what makes our program "More Than A Meal" and sets us apart from other services.

We cannot perform this important without financial support from the community. Individuals, groups, and businesses continue to invest in our mission. We had more than 5,000 donors contribute this year, and our generous community donated more than \$1,700,000.

As we reopened after the pandemic and as we anticipate celebrating our 50th Anniversary in 2024, our Board of Directors is beginning an intense planning process to make certain our mission remains relevant for the next 50 years. While we work for the next chapter of Meals on Wheels Wake County's history, we want to take the time to recognize our achievements this year.

As the President for the Board of Directors for the year which just concluded, I am pleased to present this Annual Report.

**Sustainers give gifts on a recurring basis throughout the year.*

Representative Deborah Ross and her staff visited our Blair Drive site to hand out meals to our volunteers during the holiday season.

Our Saint Saviour's Friendship Cafe was abuzz with cheer during the holiday season! All of our Friendship Cafe locations celebrated the holidays with a festive party, complete with a feast and gifts.

Chuck, a Morrisville meal delivery volunteer, uses his bicycle and a storage hitch to deliver meals along his route.

Students from Carolina School of Nursing visited with our Five Points Friendship Cafe clients to talk about hypertension, stroke prevention, and maintaining a healthy blood pressure.

Seniors at our Wake Forest Friendship Cafe enjoy "Stay Strong, Stay Healthy", an exercise program facilitated by volunteers from the Poe Center.

Thanks to the Senior Farmers Market Nutrition Program, we distributed \$42 worth of produce vouchers to exchange for fresh, local produce at NC State Farmers Markets.

Throughout the Year

At 96 years of age, Bernice's youthful spirit and sense of humor can make anyone smile! Bernice receives home delivered meals from our program.

We're grateful to have so many community leaders, like Representative Julie von Haefen to support our program through March for Meals. March for Meals celebrates the 1972 amendment to the Older Americans Act of 1965 that established a national nutrition program for seniors.

Thanks to our partnership with Vaccine Ambassadors, UNC Health, and Diaper Train, over 50 seniors received flu vaccines at our vaccination event at our Saint Saviour's Friendship Cafe.

Our Apex volunteer Pat Lasky received the 2023 Cynthia Halstead Outstanding Partnership Award. Pat truly embodies the dedication heart of service that our volunteers are known for.

Thanks to the support of Food Lion Feeds and Meals on Wheels of America, what started as a Grab and Go program at the historic Panther Branch Rosenwald School has now become our 10th Friendship Cafe location!

Thanks to our partnership with Cool for Wake, over 90 of our vulnerable clients who are adversely affected by summer temperatures received fans for comfort and relief from the heat.

Mission

Meals on Wheels Wake County nourishes, enriches and strengthens the lives of older adults through daily meal delivery and human connections.

Goals

OUR TOP THREE GOALS FOR OUR PARTICIPANTS ARE TO:

- 1) provide them with a daily, nutritious hot meal that will improve health and diet
- 2) provide them with a daily check-up and visit that makes them feel safer in their homes
- 3) give them the opportunity to continue living independently, with dignity, in their own home

A graphic celebrating the 50th anniversary of Meals on Wheels of Wake County. It features a golden globe with a grid pattern. A circular badge in the center of the globe says 'CELEBRATING 50 YEARS MEALS ON WHEELS OF WAKE COUNTY' with '1974' and '2024' on either side. The background is teal with yellow starburst graphics.
